BORROWER, PLEASE READ AND INITIAL NEXT TO EACH OF THE STATEMENTS BELOW

We recommend students borrow a Federal Direct Loan before applying for a PLUS loan as they have lower interest rates and origination fees than PLUS loans. See information on the federal loan programs here.

Students must have a valid 2025/26 FAFSA on file, be matriculated, registered for at least 6 credits, and be eligible for Title IV Federal Aid.

Graduate/professional students must complete ENTRANCE COUNSELING and sign a MASTER PROMISSORY NOTE (MPN) before receiving funding. Parent borrowers only need to sign an MPN.

A credit check will be performed to determine whether the applicant has an adverse credit history. Click the hyperlink for more information on PLUS loans and adverse credit.

Loan will be processed for the academic year unless student is graduating after the Fall 2024 semester.
