## Recognition Requirements for Student Organizations

[California State University \(CSU\) Executive Order 1068](#) establishes systemwide policies, procedures, and guidelines for student organizations and activities. The Student Leadership & Involvement Center (SLIC) is responsible for administering the recognition process for CSUSM Student Organizations.

University policy requires all student organizations to be recognized by the University in order to utilize University facilities, associate the organization with the name of California State University San Marcos (CSUSM), and access other privileges and benefits available to recognized student organizations.

### Student Organization Annual Recognition Process

Per [CSU Executive Order 1068](#), all Student Organizations must submit the necessary documents for University recognition on an annual basis.

[Involve](#) (formerly known as Presence or Tukwut Trax) hosts all CSUSM Student Organization recognition forms and documentation, including, but not limited to:

- The Organization Registration Form (also known as the Transition Form)
- The Officer & Advisor Agreement Form
- Organization membership rosters
- Organization Constitution & Bylaws documents

At CSUSM, all student organizations must provide the following items by posted deadlines to obtain recognized status:

- An updated Student Organization Registration Form (also known as the Transition Form)
- A unique student organization email address that stays constant within the organization from year to year
- A current Constitution & Bylaws document that includes all elements required by CSU and CSUSM policy
- A membership roster with at least 5 current CSUSM students who are enrolled in at least one class, including a designated President and Treasurer
- A designated Faculty/Staff Advisor who is either a CSUSM faculty member or professional staff member
- Signed Student Organization Officer/Advisor Agreement Forms from the President, Treasurer, and Advisor

Existing organizations complete the [Annual Recognition process](#) during the spring semester to maintain recognized status for the following academic year. New organizations seeking recognized status and inactive organizations seeking to reactive must complete the [New Organization Recognition process](#) during the fall semester.

Once a student organization has submitted the items outlined above and completed all required trainings, an official notice of recognition will be emailed to the organization's President, Treasurer, and Advisor.

Full details and instructions for the Annual Recognition process and New Organization Recognition Process can be found on the [SLIC website](#).

### Officer Requirements

As outlined by [CSU EO 1068](#), student organization Presidents and Treasurers must fulfill minimum requirements for eligibility. All Presidents and Treasurers must:

- Be matriculated and enrolled at CSUSM.
- Maintain a minimum overall grade point average of 2.0 each term
- Be in good standing with the University and not on academic, disciplinary, or administrative probation or notice of any kind
- Earn at least 6 units per semester if an undergraduate student, or at least 3 units per semester if a graduate student
- Undergraduate students may not exceed 150 semester units or 125 percent of the units required for a specific baccalaureate degree objective, whichever is greater. Graduate and credential students may not exceed 50 semester units or 167 percent of the units required, whichever is greater.

### Changes to Organization Officers, Advisors, Constitution & Bylaws, or Organization Name

If there are any changes to the President, Treasurer, Advisor, Constitution & Bylaws, or organization name outside of the [Annual Recognition period](#), the organization must submit a Student Organization Change Form to document the change.

- [Student Organization Change Form](#)

**Note:** Changes to the President, Treasurer, Advisor, Constitution & Bylaws, or organization name during the [Annual Recognition period](#) may be documented through that process. A Student Org Change Form is not necessary during that window.

**Officer Changes:** If there are any changes to the President, Treasurer, or Advisor positions at any point during the academic year outside of the [Annual Recognition period](#), the new officers or Advisors must submit an Officer/Advisor Agreement Form and complete [Online Officer/Advisor Training](#), in addition to the Student Organization Change Form.

**Note:** Change Forms are not necessary for changes to positions other than the President, Treasurer, or Advisor. However, it is recommended that you [update your organization roster on Involve](#) to reflect changes to other officer positions.

**Constitution Amendments:** If there are any substantive changes or amendments made to the organization's governing documents outside of the Annual Recognition period, the organization must provide a copy of the new documents to SLIC within 90 days via the Student Organization Change Form.

**Organization Name Changes:** If an organization wishes to change the name of the organization, the organization must submit a Student Organization Change Form to document the change.

### Privileges of Student Organizations

Recognized student organizations are afforded a variety of privileges, including the following:

- Advisement from SLIC professional staff in conducting operations as an organization
- Use of university facilities for meetings and events
- Organization name listed in the SLIC Student Organization directory
- Use of the CSUSM name in organization correspondence and publicity
- Ability to recruit members on campus
- Use of Associated Students, Inc. (ASI) Student Organization Account Services
- Ability to apply for and receive funding via various campus-sponsored opportunities

- Ability to participate in the Student Organization Fair and other events hosted by SLIC
- Access to student organization trainings and leadership development opportunities provided by SLIC
- Free item checkout for student organization events and tabling (provided by SLIC)
- Use of designated campus bulletin boards for publicity

### Responsibilities of Student Organizations

Recognized organizations and their members serve as representatives of the University. As such, they have a responsibility to conduct themselves in a manner that provides a favorable impression of CSUSM to the public and to their fellow students. In exchange for the privileges outlined above, the following organizations are expected to uphold the following standards:

- Organization members are expected to abide by all university policies, procedures, regulations, and standards for student conduct, as well as all federal, state, and local laws and ordinances.
- Organization policies must be consistent with those of the University. This includes all standards for student conduct and all other policies, procedures, and regulations.
- All organizations must select an authorized Advisor who is a CSUSM faculty or staff member.
- Update the membership roster, list of officers, and advisor contact information on [Involve](#) each semester and whenever changes are made.
- Keep a copy of the Organization's Constitution and Bylaws (and a copy of any affiliated organization constitution, if applicable) on file in [Involve](#). Documents must be refiled with SLIC within 90 days after any substantive change or amendment.
- Utilize [Involve](#) to preserve records and enhance organizational continuity by maintaining copies of organization meeting minutes, the most current constitution, membership rosters, and documents related to organization activities, including travel documents.
- Maintain an active programming calendar (meetings, events, service projects, etc.) that reflects the purpose of the organization as stated in the constitution.
- Ensure that all Student Organization activity that is not included on your online recognition form is communicated to SLIC. SLIC would like to have the opportunity to advise your organization in a timely manner to ensure that all activities are within University policy.
- Schedule all [events and meetings](#) in accordance with campus policies and assume responsibility for all clean-up after all events located on and off-campus.
- Advertise all functions and meetings according to the University posting guidelines & publicity.
- Maintain good fiscal standing with the University and ASI.
- Send appropriate representatives to annual Student Organization Leadership Conference and all other required training sessions.
- Follow all University [cash handling procedures](#).

## Removal or Denial of Recognized Status

If at any point it is determined that a Student Organization is not meeting University requirements, SLIC will provide a notice of the concern and the Student Organization will have the ability to respond. Potential reasons for the denial, suspension, or removal of organization recognition include, but are not limited to:

- Failure to complete required recognition steps by [University deadlines](#)
- Violation of CSU Executive Orders or University policies, procedures, or regulations
- Violation of CSUSM Standards for Student Conduct (such as academic dishonesty, cyberbullying, etc.)
- Violation of local, state, or federal law, ordinances, or health guidelines (including COVID-19 prevention guidelines)
- Violation of financial responsibilities
- Violation of university travel or event policies
- Failure to act in accordance with the organization's constitution or stated objectives
- Violation of [California Educational Code, Title V \(Commercial Solicitation\)](#)

## Student Organization Accountability Review Process

The Student Leadership & Involvement Center (SLIC) may review a Student Organization's University recognition status as a result of a failure to uphold the requirements and expectations outlined in this handbook, or in response to a report(s) of alleged Student Organization misconduct submitted to SLIC. While this section of the Handbook outlines CSUSM's response to allegations that are reported regarding Student Organizations, the University also expects that each student organization utilizes an internal accountability system so that behavior within the Student Organization can be addressed.

### Internal Issues and Conflicts

When issues or conflicts not related to potential violation(s) of University policies, state, or federal law arise among Student Organization members and/or groups, parties are encouraged to personally contact the president of the Student Organization to seek resolution. Such incidents would not include concerns or situations that are serious in nature (e.g. hazing, anything concerning student safety and welfare, anything warranting media attention, possible violations of Student Code of Conduct). Any such serious incidents or situations should be reported to SLIC (see process outlined below). The Student Organization Advisor should be available, upon request, to help individuals and/or groups facilitate dialogue when resolution cannot be met between individuals and/or groups.

### Policy Violations and Other Incidents

**Reporting an Incident:** If an individual and/or group of a Student Organization experiences or is responsible for a more serious incident (potential violation of University policies, state, or federal law), it should be reported directly to the Student Leadership & Involvement Center. Disciplinary matters involving individuals may be referred to the Dean of Students, and possibly to the University Police Department. Actions taken by the Dean of Students and University Police Department may run concurrently with action taken by the Student Leadership & Involvement Center.

- [Student Organization Incident Report Form](#) (can be submitted anonymously)

**Incident Report Review:** Procedures are initiated when SLIC receives a report giving details of an alleged incident. A Coordinator of the Student Leadership & Involvement Center will review the report and determine the appropriate course(s) of action:

- Dismissal of the complaint for lack of evidence
- Inquiry and Resolution
- Investigation and Administrative Hearing

**Inquiry and Resolution:** Inquiry and resolution will be recommended in a situation involving a single Student Organization where it is believed that a formal meeting between a Coordinator of the Student Leadership & Involvement Center and the Student Organization leadership will resolve the situation or concern through mutual discovery and agreement.

- Prior to the meeting, a Coordinator of the Student Leadership & Involvement Center will conduct an inquiry by contacting and gathering information from the individual(s) named in the initial report submitted to the Student Leadership & Involvement Center.
- Following the meeting, a Coordinator of the Student Leadership & Involvement Center will issue a resolution summary letter outlining the inquiry findings and expectations/sanctions the Student Organization must meet to resolve the matter at this level.
- If the Student Organization disagrees with the findings or fails to meet the documented sanction(s) or expectations, the matter will be referred to the Director of Student Leadership & Involvement Center for review.

**Investigation and Administrative Hearing:** An investigation will result when something serious in nature (for example, potential violations of university policies, state, or federal law), is reported. SLIC will pursue contact with any and all available individuals named in or resulting from interviews on the subject. An investigation will include conversations with any or all involved or relevant campus departments, community agencies, administrators, faculty members, or students.

- Involved Parties/Student Organizations will be notified by SLIC via letter that a report has been filed with SLIC and that they must respond within a designated timeframe to schedule the investigation meeting.
- If applicable, SLIC may also contact the regional or inter/national organization in an attempt to coordinate a review by the regional or inter/national organization.
- If the allegation is found to have merit, a hearing may be called. The Administrative Hearing Board will be comprised of between three and five members, comprised of CSUSM faculty, administrator, and staff representatives and student leader representative (ex. GLC President, ASI Representative) called together for the sole purpose of reviewing the circumstances of the case and providing a recommendation to SLIC regarding the matter.
- Student Organizations are permitted to have an advisor present during the hearing. The advisor's purpose is to provide support to the chapter. The advisor may not speak on behalf of the Student Organization or directly address the hearing board. Attorneys are not permitted in the hearing process.
- If a Student Organization or individual fails to respond to schedule a hearing, a hearing may be held in their absence, and a decision made based solely on the information contained in the initial report and any additional information gathered by the Student Leadership & Involvement Center.

- Upon review of the initial report and recommendations by the Administrative Hearing Board, the Director of the Student Leadership & Involvement Center will issue a hearing summary letter that either releases the Student Organization from responsibility or outlines a sanction, based on the nature of the complaint.
- Student Organizations have the opportunity to appeal in writing to the Associate Vice President of Student Life within five business days of receiving written notification of the sanction(s).

**Appeals:** A written request must be submitted to the Associate Vice President of Student Life within five business days of receiving written notification of the sanction(s). Failure to appeal will indicate an acceptance of the sanction(s).

- Upon appeal, sanction(s) could remain the same, increase, or decrease in severity.
- The criteria for an appeal are limited to the following grounds:
  - New evidence is available that was not heard at the time of the hearing.
  - There was a procedural error that substantially affected the outcome of the hearing.
- If a Student Organization fails to meet the requirements of their sanction(s), SLIC will review the case and, if appropriate, a recommendation will be made to the Vice President for Student Affairs or designee for further review/action, which may affect the Student Organizations' university recognition.

**Fraternity and Sorority Life Recruitment Infractions:** Recruitment infractions that do not include possible violations of Student Code of Conduct and/or the Student Organization Handbook will be referred to the Interfraternity Council, Multicultural Greek Council, and Panhellenic Council. For more information, refer to the respective Constitution and Bylaws and Recruitment Rules.

**Standard of Proof and Sanctions:** The University Response and Administrative Review process is not intended to be a Court of Law. The standard of proof required is "preponderance of evidence." Preponderance of evidence is established when it is "more likely than not" that the Student Organization and/or members of the Student Organization violated University policies. Thus, sanctions should be reasonable and appropriate to the incident and nature of the policy violations.

**Sanctions:** Disciplinary sanctions and administrative actions may be imposed separately or in combination. Potential sanctions include, but are not limited to:

- Censure or warning
- Loss of privileges and exclusion from activities
- Disciplinary probation
- Restitution and fines
- Educational/restorative justice
- Loss of university recognition

## **Advisory Support for Recognized Student Organizations**

The University requires that all recognized Student Organizations have a designated Faculty/Staff Advisor. Student Organization Advisors are volunteers who, out of their personal interest and dedication, give their time and talent to support and promote co-curricular programs at California State University San Marcos. CSUSM's policies on student organization Advisors are derived from and governed by [CSU Executive Order 1068](#).

## Advisor Eligibility and Selection

A student organization Advisor must be a CSUSM faculty or staff member who is willing to provide guidance and support to the organization above and beyond their duties as a CSUSM professional. Part-time faculty and staff who are employees of CSUSM or one of its auxiliaries (with the exception of graduate assistants or teaching assistants) may serve as advisors. SLIC will review the eligibility of Advisors as part of the University recognition process and communicate with the organization and the Advisor if they are ineligible as a result of this policy. Advisors are not required to have knowledge or experience related to the mission of the organization.

The selection of an Advisor and the decided length of their term are determined and negotiated by each individual organization. The University may remove an advisor from their student organization-related responsibilities as needed to ensure that the educational purpose of student organizations is met, or in the interests of student health, safety and welfare.

## Role of an Advisor

Per [CSU EO 1068](#),

“Advisors take on different responsibilities depending on the needs of their organization. It is important to remember that an advisor is not an administrator, executive officer or leader of the organization. Some common roles of the advisors are as a mentor, team builder, motivator, role model, educator, institutional policy interpreter, source of information and ideas, and liaison between the organization and university administration.

The duties and expectations of an advisor include maintaining regular contact and involvement with the officers of their student organizations, being knowledgeable about the missions, goals, and purpose of the student organization, helping the group understand the university's policies and guidelines, being familiar and involved with activities and events of the group, and being available to provide resources and support for events and usage of spaces, and to consult with respect to the administration of the financial affairs of the group in general.”

## Advisors as Campus Security Authorities

At CSUSM, student organization Advisors are also designated as Campus Security Authorities under the [Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act \(the "Clery Act"\)](#). Advisors will be expected to complete annual CSA training and to fulfill responsibilities as a Campus Security Authority in accordance with [requirements outlined in CSU policy](#).

## Advisor Expectations

Advisors of student organizations are expected to:

- Play an active role in helping students design meaningful programs that are consistent with the organization's constitution and purpose.
- Preserve records to enhance organizational continuity by maintaining copies of important organization documents and records, including but not limited to: organization minutes, constitution and bylaws documents, membership lists, student conduct agreements, liability waivers, event-planning documents, and other records.
- Periodically attend organization meetings.

- Ensure the proper supervision (self or appropriate substitute) of any Student Organization meeting or activity.
- Periodically review the financial status of the organization and oversee the handling of organization funds and maintenance of financial records. (Please note that all organization expenditures must have an Advisor signature. Associated Students, Inc. oversees all Student Organization accounts. Please contact ASI with any questions related to organization finances.)
- Participate in Advisor trainings hosted by SLIC.
- Communicate organization news, concerns, or questions to SLIC at (760) 750-4970 or [studentorg@csusm.edu](mailto:studentorg@csusm.edu).
- Become familiar with University policies and procedures related to Student Organizations. Advisors must report any University policy violations to SLIC.
- Complete annual Campus Security Authority (CSA) training.
- As a mandated reporter, Advisors must report any Title IX or Clery Act incidents and/or violations.
- Advisors are encouraged to refer any students of concern to the [Cougar Care Network](#) (CCN).

### **Organization's Responsibilities to the Advisor**

It is expected that Student Organizations will inform their Advisors about the plans and activities of the group. Officers and the organization's leadership are expected to:

- Notify the Advisor of all meetings and events.
- Consult with the Advisor in the planning of activities before major events are undertaken.
- Consult with the Advisor before making any major changes to the structure of the group or the policies of the organization.
- Allow the Advisor the opportunity to speak during meetings (although they are not allowed a vote).
- Discuss concerns and issues regarding the organization with the Advisor.
- Acknowledge that the Advisor's time, support, and energy are voluntary. Student Organizations should express their appreciation whenever possible.
- Be clear and open about expectations of the Advisor and periodically provide feedback to the Advisor.

### **Affiliate or Community Advisors**

In some instances, Student Organizations are affiliated with organizations external to the University, such as a regional or national governing organization. It is important that the organization work closely with their Student Organization Advisor or SLIC on matters related to University policies and procedures and communicate with SLIC should contradictory advisement be provided by the external affiliated organization. Student Organizations are also expected to provide current contact information for any affiliated organizations and advisors via the Student Organization Registration Form.

### **Student Leadership & Involvement Center Staff**

In addition to having a Faculty/Staff Advisor, SLIC staff are available to provide University advisement and support for general organization management, navigating University policies and procedures, on-campus event planning, development and revision of constitution and bylaws documents, roster changes, annual recognition, general organization management, and other matters. SLIC staff work in collaboration with the Student Organization Advisor and serve as an additional University support mechanism to provide direction and feedback on policies, procedures, and best practices.

## Student Organization Membership

**Basic Membership Requirements:** Student Organizations must maintain a roster of at least five members who are currently enrolled in at least one California State University San Marcos course. Voting rights are limited to CSUSM student members.

**Open Membership Policy:** [CSU Executive Order 1068](#) requires that recognized Student Organizations uphold open membership policies, with officers certifying annually that the organization has no rules or policies that discriminate on the basis of race or ethnicity (including color, caste, and ancestry), religion (or religious creed), nationality, citizenship, age, medical condition, genetic information, gender (or sex), gender identity (including nonbinary or transgender), gender expression, sexual orientation, marital status, veteran or military status, or disability (physical or mental). A social fraternity or sorority may impose a gender limitation as permitted by Education Code Section 66273.

### Recruiting New Members

It is important to recruit new members who will invest their time and energy in the organization. Student organizations are encouraged to implement the following practices to establish and maintain an active membership base:

- Learn to clearly articulate the philosophy, purpose, values, goals, and membership requirements of your organization.
- Develop a marketing plan for the year (including but not limited to posters, social media, brochures, flyers, t-shirts, etc) to spark interest in your organization and maintain visibility.
- Identify current members who are committed to the organization's purpose who can actively recruit new members.
- Determine the motivation, needs, and interests of prospective members.
- Approach ALL new students, both first-year and transfer, who are eager to connect with the University.
- Recruit throughout the year, not just at the beginning of each semester.
- Maintain realistic expectations of organization members and be clear about financial obligations and time commitments.

### Retaining Members

- Remember that members are volunteers who may have multiple responsibilities and involvements outside of your organization. Make an effort to offer a variety of meeting and event times, leadership roles and responsibilities, and engagement opportunities.
- Maintain open lines of communication. It is important for members to be informed and know who to contact with questions. It is also important for them to know they are appreciated and have the opportunity to participate, make suggestions, and contribute to the organization.
- Be aware of the needs and wishes of members and provide them with incentives and rewards to promote continued interest and participation.
- Develop a leadership "pipeline" by training enthusiastic members for future officer positions.

The California State University does not discriminate on the basis of gender, which includes sex and gender identity or gender expression, or sexual orientation, in its education programs or activities.

Title IX of the Education Amendments of 1972, and certain other federal and state laws, prohibit discrimination on the basis of gender or sexual orientation in employment, as well as in all education programs and activities operated by the University (both on and off campus), including admissions. The protection against discrimination on the basis of gender or sexual orientation includes sexual harassment, sexual misconduct, sexual exploitation, dating and domestic violence, and stalking.

Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to have experienced the conduct that could constitute sex discrimination or sexual harassment), in-person, by mail, by telephone, or by electronic mail, using the contact information listed below for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during non-business hours) by using the telephone number or electronic mail address, or by mail to the office address, listed for the Title IX Coordinator.

## Hazing

All members of the campus community, including recognized Student Organizations, are required to observe and fully comply with the [CSU Standards for Student Conduct](#) and the [California Penal Code](#) requirements on hazing.

- Hazing is defined as any method of initiation or pre-initiation into a student organization or student body, whether or not the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury to any former, current, or prospective student of any school, community college, college, university or other educational institution in this state (Penal Code 245.6), and in addition, any act likely to cause physical harm, personal degradation or disgrace resulting in physical or mental harm, to any former, current, or prospective student of any school, community college, college, university or other educational institution. The term "hazing" does not include customary athletic events or school sanctioned events.
- Neither the express or implied consent of a victim of hazing, nor the lack of active participation in a particular hazing incident is a defense. Apathy or acquiescence in the presence of hazing is not a neutral act, and is also a violation of this policy.
- A violation that does not result in serious bodily injury is a misdemeanor, punishable by a fine of not less than one hundred dollars (\$100), nor more than five thousand dollars (\$5,000), or imprisonment in the county jail for not more than one year, or both.
- Any person who personally engages in hazing that results in death or serious bodily injury as defined in paragraph (4) of subdivision (f) of Section 243 of the Penal Code, is guilty of either a misdemeanor or a felony, and shall be punished by imprisonment in county jail not exceeding one year, or by imprisonment pursuant to subdivision (h) of Section 1170.
- The person against whom the hazing is directed may commence a civil action for injury or damages. The action may be brought against any participants in the hazing, or any organization to which the student is seeking membership whose agents, directors, trustees, managers, or officers authorized, requested, commanded, participated in, or ratified the hazing.
- Prosecution under this section shall not prohibit prosecution under any other provision of law.

The [University Hazing Education Team \(UHET\)](#) has been established to support the education and development of positive campus traditions at CSUSM. UHET members provide an educational overview of the campus hazing policy at the Student Organization Leadership Conference and are available to

facilitate interactive educational workshops within your organization. To contact members of UHET or to report hazing behaviors that threaten the health and safety of our community, visit the [UHET webpage](#).

### **Conduct and Behavior**

Conduct deemed unbecoming of a student organization member as set forth by university or organization philosophies, guidelines, values, mission, and/or vision statements may be subject to review by University staff and may be forwarded to the University Police and/or the Dean of Students Office for disciplinary action.

## Good Neighbor Policy

CSUSM encourages all student residents within the San Marcos community to live up to the tenets of following Good Neighbor guidelines. Like all residents, students are expected to conduct themselves as mature and responsible members of the San Marcos and University communities. As such, they are responsible for upholding all state and city laws and ordinances, especially those relating to noise, traffic, parking, zoning, and consumption of alcohol. In addition, as responsible members of society, they are expected to foster an atmosphere which nurtures positive educational pursuits, the development of understanding and tolerance of those with different cultural and political points of voice, and an environment that encourages responsible behavior in the community.

### **The good neighbor guidelines address the following areas:**

1. Upkeep and Beautification
2. Traffic Safety and Parking
3. Neighborhood Relations
4. Alcohol and Other Drugs

The following guidelines are consistent with the educational role of the University, the rights and needs of all residents, standards of common courtesy, and are directed toward encouraging and maintaining positive neighbor relationships.

**Upkeep and Beautification:** Students and student organizations are expected to maintain a safe, clean, and attractive environment for the health and well-being of their members, guests, and neighbors. Specifically, students will:

1. Maintain the property in accordance with all fire, health, zoning, building, and safety codes.
2. Maintain lawn and landscaping on a regular basis.
3. Dispose of litter, trash, and garbage on a regular basis in an appropriate manner.
4. Ensure any litter or trash is cleaned up no later than 10:00am, the day following an event.

**Traffic Safety and Parking:** To maintain community safety regarding residential neighborhood traffic and parking, students and student organizations are expected to:

1. Comply with the laws of San Marcos and the State of California and hold invited guests to the same standard of conduct.
2. Adhere to all parking regulations, and refrain from violation, such as blocking neighbors' driveways, public alleys, and sidewalks, which are violations of the law.
3. Give priority to traffic safety and educate household members and guests about neighborhood parking restrictions and encourage safe responsible driving.
4. Make provisions for guest parking for all events.
5. Prohibit household members and guests from parking on lawns and other landscaped or unsurfaced areas.
6. Educate household members and guests to arrive quietly and to depart in the same manner to avoid disrupting the neighbors

**Neighborhood Relations:** To maintain positive relationships with community members, uphold a positive reputation for CSUSM, and respect the rights of neighbors, all students are expected to:

1. Foster and maintain good community relations and cooperation with neighbors and authorities.
2. Consider holding large social functions away from the private residences at facilities of sufficient size to accommodate the crowd, especially when alcohol is served.
3. Be responsible for their conduct and encourage admitted guests to adhere to the same standard.
4. Observe quiet hours after 10:00 p.m. (Sunday through Thursday) and 12:30 a.m. (Friday and Saturday), with a limited number of events taking place on contiguous weekends.
5. Respect the rights of neighbors and follow existing laws and ordinances.
6. Take active steps to prevent damage to neighbors' property by admitted guests and household members.
7. Be responsible for damage to neighbors' properties caused by household members and guests.
8. Be responsible for mediating and resolving neighborhood problems in a timely fashion.
9. Communicate with neighbors, when necessary, before 9:00 p.m. in a mature and civil manner.
10. Notify neighbors within 300 feet (multiple dwellings/manager) and all other people who have notified the student group of their desire to receive notices in writing of organized social events at least three days prior to the function. Notifications shall include size, type of event, hours and a contact person who will be present at the event.
11. Use amplified sound only in accordance with the Noise Ordinance. Exterior amplified sound in residential areas is discouraged.
12. Initiate programs to foster positive attitudes about relations with neighbors, reduction of noise, elimination of alcohol abuse, and elimination of verbal abuse.
13. Set reasonable limits on the total number of large events per semester and for the academic year that will take place at the residence.

**Alcohol and Other Drugs:** All student organizations are required to abide by all University, federal, state, and local regulations governing alcohol and drug use. As a student org leader or member, you represent both your organization and the CSUSM community at all times. As a result, student organizations are encouraged to demonstrate healthy behaviors around substance use, set positive examples, and educate members about drug and alcohol use. See the Alcohol and Drugs section above for additional policies, expectations, and recommendations.

## CSUSM Policies & Procedures

### Use of University Name, Logos, and Trademarks

When developing marketing materials and apparel (flyers, shirts, etc) that include the University name or logo, it is important that you are aware of the [campus branding standards and procedures for using a CSUSM logos and trademarks](#).

**Custom organization logos:** The Cougar Spirit logo has been specifically identified for Student Organization use. If your organization would like to request a Cougar Spirit Logo customized for your organization, contact University Communications at [publicity@csusm.edu](mailto:publicity@csusm.edu). Consult with SLIC as you

develop internal and external marketing plans and ensure that you are printing any materials with the University Store or another licensed vendor.

**Purchasing organization merchandise:** The [CSUSM University Store](#) has the first right of refusal for production of all student organization apparel and merchandise, including shirts and graduation stoles. To request a quote, submit a [Custom Order Request Form](#). For questions, contact the University Store Manager by email at [1259mgr@follett.com](mailto:1259mgr@follett.com) or phone at (760) 750-4731.

- Should the University Store decline to fulfill the order, an outside vendor may be used. For instructions on finding a vendor that is licensed to use CSUSM trademarks, visit the [Licensing & Trademarks webpage](#).

### Student Organization Travel

Hosting off-campus activities or traveling is a common way to enhance the student organization experience for members. However, there are important protocols to keep in mind to make sure off-campus activities and trips are safe for everyone and align with the mission of your organization. Read below for more information.

#### Student Organization Travel Criteria

Off-campus travel will be considered to be official/sanctioned by/in the name of a student organization if any of the following conditions are met:

- The trip/event/activity is advertised with any mention of the student organization name
- The trip/event /activity is discussed during an organization meeting or via organization communication channels (email, group chats, etc.)
- An observer or attendee would associate the trip/event/activity with a student organization
- A significant percentage of the organization membership participates
- The organization coordinates or facilitates the planning of any logistical arrangements for the trip/event/activity
- Organization funds are used in any way to facilitate, support, or promote the trip/event/activity
- The organization provides transportation for any portion of the trip/event/activity
- The organizations provides maps, directions, tickets, or any other information regarding the trip/event/activity for its members
- The organization creates or encourages the creation of any promotional materials for the trip/event/activity (T-shirts, flyers, social media posts, etc.)
- The organization is involved in any way with the sales of tickets or promotional materials that mention or promote the trip/event/activity

In short, if a casual observer would associate the activity with your student organization, then it is associated with your student organization. Remember: you represent your student org and the CSUSM community at all times.

#### Protocols for Off-Campus Travel

If your organization is planning an off-campus activity or trip, there are different steps to take depending on the activity. Review the table below to determine the appropriate steps for your planned activities.

**Sports Clubs:** If you are an officer for a Sports Club, you do not need to follow the protocols below for traveling. You can follow the processes outlined by Campus Recreation.

	Activity/Travel Type	Examples	Requirements

If the above steps are not completed by the designated deadlines, purchases or reimbursements may not be approved by ASI or SLIC.

**Risk Management**

If you are planning a trip or off-campus activity with [high-risk components](#), you are expected to notify SLIC via the [Off-Campus Travel/Activity Notification Form](#) and work with them to develop a risk management plan.

**Free Speech at CSUSM**

Free speech and First Amendment rights are cornerstones of democratic society and essential to the educational process. Members of the CSUSM community are permitted to exercise their constitutional right to assemble and express opinions on University property, provided such activities do not pose a public safety risk, infringe on the rights of others, or disrupt the educational process or other operations of the University.

- [CSUSM policy on public assembly](#)
- [CSUSM Interim Time, Place, and Manner Policy](#)
- [Navigating Free Speech at CSUSM](#)

If your organization is planning a rally, protest, or demonstration, remember these tips:

1. Work with SLIC to determine safe ways of demonstrating and navigate campus policies regarding signs, sound amplification, demonstration location, and notification to University Police.
2. The University may establish reasonable time, place and manner regulations regarding the use of facilities to ensure that individuals and groups exercising their legitimate rights do not infringe on the rights of others or disrupt the educational process or other operations of the University.
3. Per campus policy, demonstrations cannot disrupt or obstruct instruction, research, or administrative operations, disturb areas set aside for study, or interrupt a scheduled activity.

**CSUSM Posting Guidelines**

The university maintains posting venues for the purpose of sharing information that may be of interest to the campus community. Some campus venues require advance scheduling, while others do not. The content of the information posted is the responsibility of the author and is not approved or endorsed by the university unless noted explicitly on the posted material.

University students, faculty, staff, registered student organizations, departments, and off-campus community members may post or exhibit printed materials in approved areas which refer to an event, activity or service in accordance with the policy/procedure outlined in the [full CSUSM policy on posting informational material](#).

### **A-Frames**

Recognized student organizations and campus departments are permitted to place temporary A-Frame signage in designated locations on campus for the purpose of marketing campus events and programs. Use of A-Frames is limited to University events and programs. (Directional signage for events on campus and emergency or safety notifications are exempt from this policy.)

For reasons of safety, aesthetics, accessibility, and sustainability, A-Frames are limited to designated locations on campus. Designated locations are marked by a blue & white numbered circle on the ground. For a map of designated locations, visit the [A-Frame policy webpage](#). Spaces are claimed on a first-come, first-serve basis for a period of no more than 30 days.

#### General Guidelines:

- A-Frames are only permitted in designated spaces on a first-come, first-serve basis. No request for approval is needed.
- One A-Frame is allowed per dot. Do not place an additional or move an A-Frame from a dot.
- Organizations are allowed a maximum of one A-Frame in a designated area (i.e. Forum Plaza or USU Arcade).
- Posted information must include the recognized organization name and contact information.
- The posting must be constructed of a material strong enough to withstand strong winds and weather conditions.
- Size is limited to 2 1/2 feet x 4 feet (30 inches x 48 inches).
- A-Frame may be placed for up to one month at a time per A-Frame. Those promoting a specific event must indicate a removal/expiration date of no more than 48 hours after the conclusion of the event.
- Announcements regarding specific events must include date, time, and location, as well as contact details for people wishing further information and an accommodation statement.
- A-Frames must be tagged (luggage-style tag on handle) with the department or organization that owns the A-Frame. The tag is also required to indicate the expiration date of the current posting.
- Organizations are responsible for removing their A-Frames by the expiration date.
- Those A-Frames found after the expiration date or in non-designated locations will be removed and may be charged a nominal removal/storage fee. Organizations that repeatedly violate the location and/or timely removal requirements may not be permitted to continue to utilize A-Frame space. All A-Frames will be removed to the Recycling Center to be picked up by user M-F, 7am-3:30pm.
- Non-CSUSM departments and organizations are not permitted to use A-Frame location or post A-Frames on campus property.

For the full detailed policy on placing A-Frames on campus, visit the [A-Frame policy webpage](#).

## Banners

- Recognized Student Organizations and campus departments may hang banners up to 6 feet wide by 4 feet high without pre-scheduling the posting.
- Banners may be hung on any campus railing that does not present a safety risk to those hanging the banner or to those who pass by it once it is hung. Banners may not interfere with entrance or exits to buildings. Banners may not be hung in any location that requires a ladder to install them. Banners may not be hung on handrails near steps or other walkways. Unusually large banners must be secured as to not present a safety hazard.
- Banners may be secured with string, rope, zip ties, or masking tape. Do not use scotch tape, duct tape, electrical tape, or any other fiber tape as it can damage the surface. If the tape used strips the paint from the railings, your organization may be found in violation of campus posting policies and responsible for costs associated with the repair.
- The name of the sponsoring organization must be displayed clearly on the banner.
- Banners may hang until the end of the academic term in which they are posted. Banners may be hung per the following dates:
  - **Fall Semester:** Banners may be hung beginning August 15 and must be removed by December 15.
  - **Spring Semester:** Banners may be hung beginning January 1 and must be removed by May 15.
  - **Summer Term:** Banners may be hung beginning June 1 and must be removed by August 1.

## Bulletin Boards

- General-purpose bulletin boards are available on campus for the publicizing of information. For an updated list of approved posting locations, visit the [SLIC website](#).
  - All non-University related materials may only be posted on the Community Access bulletin board, which is located in Founders Plaza.
  - Many other bulletin boards exist across campus that are not available for general use. The full [CSUSM policy on Posting Informational Material](#) contains descriptions of the locations and purposes of different campus bulletin boards. Recognized Student Organizations must inquire with the manager of a particular bulletin board for permission to post materials on that board.
- Materials posted do not need to be approved prior to posting, but must comply with all guidelines indicated in the full [CSUSM policy on Posting Informational Material](#).
- Posted material must include the name of the individual or organization authoring the printed material. Posted materials will be removed if an individual/organization name or posting date are not visible.
- The date of posting must be visible on all posted materials. Postings may be displayed for up to one month. Postings should be removed after one month or within 48 hours after the advertised event or activity has occurred.

- Review and approval of requests to chalk will be made on a content-neutral basis.
- Chalking is permitted only on flat, horizontal, exterior, white concrete surfaces (e.g. sidewalks and plazas). Chalking of building surfaces, walls, painted surfaces, colored concrete, marbled or tiled surfaces, doors, windows, interior surfaces, trees, and streets is not permitted.

- Chalking is prohibited at all USU facilities, including sidewalks, patios, stairs, pathways, and the amphitheater.
- Only water-soluble chalk may be used.
- Chalking must not interfere with pedestrian traffic. Removal must be scheduled at a time that avoids major disruption of campus activities and general pedestrian flow.
- Chalking may be displayed for a maximum of one week. If chalking is announcing a specific event/activity, chalk must be removed within 48-hours after the conclusion of the event/activity.
- No one is to remove approved chalking other than the party who applied it, or their designee (other than in cases of exceeding the display time limit).
- Should an individual or organization chalk without permission or fail to adhere to the written removal plan, cleanup may be performed by the University and charged to the responsible group or individual.

### **Distributing Flyers**

- Student organizations shall not distribute promotional materials which utilize a university trademark, symbol or logo in combination with an alcoholic beverage or drug trademark, symbol or logo.

## Student Organization Events

As a Student Organization, you will likely want to plan a meeting, host an event, or make a tabling reservation during the year. SLIC and Event & Conference Services (ECS) are here to help you through this process. It is important to keep in contact with SLIC and ECS, and your Student Organization e-mail account regularly to set up your event for success. For detailed campus policies pertaining to campus event planning, visit the [ECS website](#).

### Events & Conference Services (ECS) Contact Information

- **Phone:** 760-750-8800
- **Email:** [events@csusm.edu](mailto:events@csusm.edu)

### Event Space Reservations

**To reserve campus space for a meeting, event, or tabling, student organizations must submit a reservation request via 25Live. Student Organizations may submit 25Live reservations up to 14 months in advance.**

25Live requests are reviewed by ECS before they are confirmed. To serve the greatest number of organizations, ECS reserves the right to change any reservation, if necessary, to accommodate as many reservations as possible. ECS may cancel any event or modify the extent of services provided in the event of utility interruptions, campus emergencies, threat of imminent danger, in the interest of public safety, or acts of nature.

### 25Live

25Live is the portal used to schedule all on-campus events and meetings. **Each Student Organization will be provided a unique 25Live username and password to schedule organization events.** This account is connected to your Organization's general e-mail address, so make sure to check it regularly.

For additional support with the 25Live reservation process, utilize the following resources:

- [25Live Support and FAQs](#)
- [25Live Reminders and Tips for Student Organizations](#)
- [25Live Training Guide](#)
- [Attend a 25Live Training](#)

**25Live Portal Link:** <https://25live.collegenet.com/pro/csusm>

### How to find your organization's 25Live Credentials

To make a reservation for your student organization on 25Live, **you will use a username and password that has been created for your organization. You will not use your personal CSUSM credentials to log in.** Follow these steps to find your org's login credentials:

- Go to Involve and [log in to your Admin Dashboard](#) (it is recommended to do this on a computer with your browser window in full screen)
- Navigate to your [Organization Details](#) page

- When the page loads, scroll down until you see a box titled Student Org Account Information. You'll find your org's username and password there.
- If you are unable to access the Admin Dashboard or your org's credentials are missing, please contact [studentorg@csusm.edu](mailto:studentorg@csusm.edu).
- For additional assistance with navigating Involve, visit the [Involve tutorials page](#) on the SLIC website.

### Submitting a 25Live Reservation

When submitting a 25Live reservation, ensure the following details are entered completely and accurately to avoid delays in the review process by Event & Conference Services (ECS):

**Event Name:** This will be the name of the event for internal purposes and **will only appear on the calendars if you do not enter an Event Title**. Make it unique and clear for ease of tracking and organizing purposes.

**Event Title:** When publishing to a campus calendar, this field will be displayed as the name of the event. We suggest including the Student Organization name or acronym.

**Event Type:** It is very important to select the correct Event Type. Contact ECS if you are unsure. Our campus uses three (3) main Event Types.

- **Meeting Only:** Use this setting for events or meetings that will utilize the existing room setup within established building hours and do not require additional planning support or resources from ECS.
  - **Example:** A regular organization meeting in a classroom during open building hours.
  - **Submission Deadline:** Minimum 3 business days prior to the meeting.
- **Campus Self-Service:** Use this setting for events or meetings during established business hours that require a custom setup and/or equipment without the need for support from an ECS event planner. ECS will book the room and ensure proper setup, but the rest of the planning is handled by the student organization, including catering, audio visual setup, parking, etc.
  - **Example:** An outdoor event during the day that requires tables, chairs, and tents, but the student organization is supplying food, decorations, etc. and receiving no additional planning support from ECS.
  - **Submission Deadline for Tabling:** Minimum 5 business days prior to the event date.
  - **Recommended Deadline for All other Self-Service Events: October 1<sup>st</sup> (Fall) / March 1<sup>st</sup> (Spring)**
    - **Final Deadline:** Minimum of 3 weeks prior to the event date.
- **Campus Full-Service:** Full-Service events will be assigned an ECS event planner to assist with all logistical coordination and planning. The Event Planner will work with you to define the services needed to fit within the budget and campus venue. The Full Service setting is generally used for complex, large-scale events.
  - **Example:** A weekend event in the University Student Union that requires a custom setup and is bringing in outside vendors.
  - **Submission Deadline w/ alcohol or outside vendors:** Minimum 8 weeks prior to the event date.
  - **Submission Deadline for all other Full-Service Events:** Minimum 3 weeks prior to the event date.

The following locations are required to be entered with the **Campus Full-Service Event Type**:

- McMahan House
- All University Student Union (USU) locations
- Kellogg Library Reading Room
- Athletic Fields

**Event Description for Campus Calendars:** The Event Description is visible to the public and should include pertinent event information for your potential attendees. This may include items such as links to RSVP, parking information, contact information, and the purpose of the event. The description can also be edited at a later time. If you are requesting Featured Calendar placement, a comprehensive description **MUST** be included. **NOTE:** This text will only be displayed on calendars if a campus calendar has been selected.

**Event Date & Time:** Reservations can include multiple dates and times, but they should still be separated by month. Be aware of date/time restrictions, especially for Academic Locations (classrooms and computer labs). Event & Conference Services and the University Student Union hold final authority on the approval of event dates (depending on the requested location).

- **Campus Closure Dates:** Student organization reservations will not be accepted for dates on which the campus is closed, including but not limited to: MLK Jr. Day, Cesar Chavez Day, Memorial Day, Independence Day, Labor Day, Veterans Day, Thanksgiving holiday, and Winter break between Christmas Eve and New Year's Day.

**Event Location:** Select a location that will fit the desired headcount and setup for the event. If you cannot find your desired location or need assistance, select "Location Not Found" and contact [events@csusm.edu](mailto:events@csusm.edu) for assistance.

**Event Custom Attributes:** As a part of the risk assessment process, there will be series of required questions asked about the event details. The following are specific to Student Organizations and are important to answer accurately.

- **Student Contact:** Include a primary contact for the event, including a phone number and email address.
- **Account/Chargeback Number:** Enter your organization's 5-digit ASI fund number. You can look up your organization's account number on the [ASI Student Organization Account Services](#) website.

**Campus Calendars and Newsletters:** 25Live reservations can be published to the [CSUSM campus calendar](#). Check the boxes for the calendars where you would like to display the event.

- Events submitted via 25Live can also be included in campus event newsletters by submitting a [Campus Announcement request](#).

**Confirmation Notes:** Include additional event details, necessary resources (tables, chairs, etc.), questions, or comments for the ECS schedulers and planners.

## Reminders & Tips for Planning a Successful Event

- **Check the designated Student Organization e-mail regularly for reservation confirmations and communications from ECS and SLIC.** Failure to respond to communications from event-planning staff may result in potential event cancellations.
- Schedule your space early and include as much relevant detail as possible.
- Review the CSUSM calendar of events to make sure your event does not compete with any other major campus events.
- Incomplete 25Live event requests or requests that fall outside the submission deadlines will result in scheduling delays and potential event cancellations.
- Academic coordinators, student organization advisors, and university departments should NOT make reservations on behalf of a Student Organization.
- Remember your organization must have sufficient funds to cover the costs of the event *prior* to making the event reservation. The Student Organization's officers are personally responsible for any costs that cannot be covered by the Student Organization's account. Please see the ASI Account Services section in this handbook for more details on how to utilize your student org funds for events.
- Make sure to indicate in your reservation if your event/meeting includes food, as there are specific spaces on campus that do NOT allow food. If you serve food in a non-approved room, you risk being charged a cleanup fee.
- University furniture may not be moved from its location. All equipment must be requested from ECS for event use.
- Glitter, confetti and candles are prohibited for use on campus.
- Cleaning and/or maintenance fees will apply for failure to follow ECS or campus policies and will be added to final event charges.
- No organization may reserve, transfer, sublease or sell facility reservations on behalf of another organization. Any and all changes in space reservations must be done through your assigned ECS Event Planner or Scheduler
- Please notify the ECS as soon as possible if you need to cancel your room reservation, so the space can be made available for others. Failure to notify may result in cancellation fees. If a group is requesting/reserving multiple blocks of time and not using them, reservations may be canceled, and the group will only be allowed to make single date reservations for the rest of the semester.
- If your organization hosts an event annually, submit the 25Live reservation request for next year as soon as your event is over!

## Risk Management

SLIC will work with the CSUSM office of [Safety, Health, & Sustainability](#) (SHS) to appropriately advise Student Organizations regarding events and activities that expose either the organization, the University, or event participants to elements of risk. **It is critical that organizations fill out the 25Live event request form completely and provide as much detail about the vision of your event as possible.** Some of the risk management strategies you will find within the event planning process include the use of contracts, risk assessment forms, and release of liability forms. SLIC event advisement will minimize activities that have the potential for injury or accidents involving CSUSM students and their guests.

### High-Risk Activities

Activities or trips with any of the following elements generally have an increased level of risk:

- Fire, fireworks, BBQs, open flame
- Cooking or preparing your own food

- General public is invited
- Minors will be present (individuals under the age of 18 who are not CSUSM students)
- Physical activity (sports, dance contests, games, etc.)
- Rides, bounce houses, obstacle courses, inflatables, climbing tours, etc.
- Motorized equipment or vehicles
- Water-based activities (pools, ocean, swimming, boating, surfing, paddleboarding, kayaking, etc.)
- Animals
- Alcohol
- Potentially controversial speaker or topic
- High-profile attendees or speakers
- High attendance events
- Events that include music or other entertainers/vendors
- Power tools or hand tools

### Insurance Requirements for Events

CSUSM has insurance requirements for outside organizations, speakers, vendors, or performers who come to campus for events. Work in advance with your ECS Event Planner and/or SLIC Coordinator when developing or requesting service contracts with outside entities. It is encouraged that organizations begin the contracting process as early as possible to allow time to complete university verification processes.

### Hosting Speakers, Performers, and Vendors / Guest Parking

- All visiting speakers, performers, and vendors must submit a signed Indemnification Form prior to coming to campus for an event. A representative of the student organization can [initiate the form online](#).
- After the Indemnification Form is complete, a student organization may request up to 2 free sponsored guest parking permits by submitting a guest parking permit request form at least 5 business days (1 week) in advance. The guest permit request form can be found on the [SLIC website](#).
- Sponsored guest passes are only valid in designated lots with labeled "Sponsored Guest" spaces.
- If needed, Full Parking Lot reservations can be secured through your Campus Event Planner.

### Events with Minors

- There are additional considerations/responsibilities that must be managed when planning events that include participation of minors (individuals under the age of 18 who are not CSUSM students).
- Please consult with SLIC to determine whether indemnification forms, liability waivers, permission slips, guardian attendance, additional training or special event insurance will be required.

### Working with Vendors

If your organization is working with an off-campus vendor for an event, it is always recommended that you put any agreement in writing. Make sure you understand the full extent of the agreement/contract before moving forward with the vendor. **If your event is taking place on campus, external vendors must complete an approval process before coming to campus. Work with your ECS Planner and/or SLIC Coordinator to facilitate the vendor review and approval process.**

## Events with Food

  - If your request is approved, Sodexo will send instructions for submitting an order.
  - If your request is denied, you may order from another [approved caterer](#) or purchase food from another off-campus vendor and bring it to your event.
- **If your organization is not planning to spend more than \$250 on food for your event,** you may order from another [approved caterer](#) or purchase food from another off-campus vendor and bring it to campus your event.
- Food from non-approved caterers may be picked up at the establishment and transported to campus or delivered to Craven Circle or Campus Way Circle. Having food delivered to other campus locations by a local vendor is considered catering.
- If you have a specific caterer in mind that is not on the list of approved caterers, please share this information with SLIC and your Campus Event Planner during your event planning meeting.
- CSUSM is currently under contract with PepsiCo. Only PepsiCo products may be served at campus events.

## Events at the University Student Union

The University Student Union (USU) is a key location for Student Organizations to host their events throughout the year. For more detailed information about available spaces, please refer to the [USU website](#).

## Events at Campus Recreation/Athletics Facilities

Athletics and Campus Recreation receive priority scheduling for all athletic facilities (fields, courts, exercise/fitness spaces, etc.). When requesting Athletics or Campus Recreation spaces, please include a detailed description of planned activities so that Event & Conference Services, Athletics, and/or Campus Recreation can properly evaluate your request. It is recommended that any requests for these spaces be submitted as far in advance as possible.

Based on weather and/or field conditions, events putting the fields at risk may be redirected to an alternate campus location. Rainy weather will result in mandatory field closures to mitigate field damage, so be sure to develop a rain plan if scheduling a large event.

If you have specific questions about the use of Athletics or Campus Recreation facilities, contact Event & Conference Services.

## Event Billing and Payments

To pay an ECS invoice for an event, follow the instructions in the [ASI Student Organization Account Services guidebook](#).

Student organizations choosing to sponsor an event off-campus accept sole responsibility for the event. Any recognized student organization which undertakes the sponsorship of an event accepts responsibility for maintaining proper conduct of those in attendance. Officers of the organization are responsible for informing members of the organization of this requirement. If an issue comes to the

attention of the Student Leadership & Involvement Center, the organization and/or individuals could be subject to disciplinary action.

Organizations utilizing off-campus facilities or vendors are solely responsible for all contractual agreements they enter into and in no way involve the University or the advisor as an employee of the University. Student organizations sponsoring an event off-campus at a local venue may be required to provide proof of insurance. The University does not provide insurance coverage for student organizations sponsoring events held off-campus. ## Student Organization Account Services, Funding, and Finances

[California State University ICSUAM 3141.01](#) mandates that all CSU campuses establish oversight of student organization accounts with the campus or one of its auxiliary organizations. In accordance with this policy, all student organizations fund accounts at CSUSM are administered through the [Associated Students, Incorporated of CSUSM](#) (ASI). As a result, ASI manages all student organization accounts and SLIC oversees all other aspects of student organizations. Therefore, Student Organizations must adhere to all relevant CSU, CSUSM, and ASI policies and procedures to remain in good standing. The [ASI Student Organization Fund Account Policy](#) outlines basic policies and procedures related to student organization fund accounts.

### ASI Student Organization Account Services

In ASI, the [Student Organizations Account Services](#) program assists recognized Student Organizations with utilizing their organization accounts, including but not limited to the following services:

- Providing weekly account balance updates
- Assisting with eligible purchases and processing reimbursements
- Making deposits

For detailed instructions and policies regarding Student Organization accounts, visit the [ASI Student Org Account Services website](#).

### ASI Student Organization Fund Agreement

Each student organization establishing a fund account relationship with California State University San Marcos (CSUSM) and Associated Students, Inc. (ASI) must have a signed [Officer/Advisor Agreement Form](#) (found on the SLIC website) on file for the current President, Treasurer, and Advisor.

Student organization accounts consist of those funds held in trust by ASI on behalf of officially recognized student organizations. The Student Leadership & Involvement Center (SLIC) controls the recognition status of all student organizations.

**The Student Organization President, Treasurer, and Faculty/Staff Advisor must agree to the following terms:**

1. All officially recognized student organizations are required to maintain an on-campus fund account with ASI.

2. Only the current President, Treasurer and Advisor are able to sign and approve expenditures on behalf of the student organization. All Expenditure Request Forms (ERFs) for reimbursements or payments must be signed and approved by the organization's President, Treasurer and Advisor, followed by the ASI designated professional staff or designee.
3. Signers on this form give authorization to the ASI designated professional staff and SLIC designated professional staff to process payments on behalf of the student organization if a payment is more than 60 days overdue. The organization's account will be deactivated until all outstanding invoices are paid.
4. Student organizations with negative balances will not be able to process reimbursements until there are sufficient funds in the account.
5. In the event that the student organization account has insufficient funds to cover any costs, the authorized signers may be held personally responsible for amount due.
6. All funds collected in the name of the student organization must be used exclusively for the purpose of furthering the organization's goals and objectives.
7. All requests for reimbursements or payments must include original itemized receipts and/or invoices containing information about what was purchased, how it was paid, when it was paid, and who paid it (if applicable).
8. All reimbursement requests must be submitted within same fiscal year (July 1 – June 30) as the purchase.
9. Expenditures for reimbursement will not be accepted for purchases of alcohol or purchases not for the purpose of furthering the student organization's goals and objectives.
10. There will be no fees charged to the organization for use of ASI and CSUSM cash handling services.
11. There will be no interest earned on fund accounts held in trust for the organization by ASI.
12. If a student organization has not been recognized by the Student Leadership & Involvement Center for at least two academic years and funds remain in the student organization's fund account, these funds will be moved into an account used for student organization programming after July 1 of the new fiscal year. These funds will be made available on a reimbursement basis for student organization programming. The student organization's fund account will also be placed on inactive status.
13. Student organization fund accounts cannot be used to hold funds on behalf of other student organizations, except on behalf of an external organization on a temporary basis in conjunction with a fundraising event where a check for the proceeds will be issued to the outside organization.
14. All funds generated by a philanthropic event must follow the CSUSM cash handling policy. Student organizations must follow guidelines for philanthropic events as determined by the Student Leadership & Involvement Center.
15. Funds for a student organization can be raised through membership dues, donations, fundraising activities, etc. If a student organization does not follow the cash handling policies as outlined in the CSUSM Student Organization Handbook, the student organization's recognition will be nullified for the remainder of the semester and the fund account will be inactive.

Each student organization must understand the fiduciary expectations, requirements and responsibilities of officers and advisors for the fiscal year as outlined in the CSUSM Student Organization Handbook. Officers will receive training in fiscal responsibility each Fall at the Student Organization Leadership Conference and Advisor Training.

## Fundraising Options

Recognized student organizations have the ability to utilize a variety of methods to raise funds to support the mission of the organization. For additional fundraising resources, visit the [Fundraising section of the SLIC website](#).

### Options that *do not* require assistance or approval from SLIC and/or University Advancement:

**Fair Share Donations:** Student organizations may choose to require members to contribute a fair share donation to support organization operations and cover expenses (example: \$10 per semester or \$20 per academic year). The organization's policies and procedures for fair share donations should be outlined in the organization's constitution.

**Student Org Giving Site:** Students Organizations can encourage donors to give online via the [Student Org Giving Site](#). This form allows donors to select the student organization they want to support and enter their payment information electronically. Funds are then deposited straight into the organization's account.

- **Notes:** The giving site may be used to collect Fair Share Donations but it may not be used to accept payment for any goods or services. Keep in mind, the site collects a 5% processing fee for all donations.

**ASI Leadership Funding:** ASI provides funding for student organization events and professional development activities. To learn more and apply, visit the [ASI Leadership Funding website](#).

**Co-Curricular Funding:** The Office of the President financially supports co-curricular events hosted by student organizations. Some examples of co-curricular events include graduation recognition ceremonies, cultural events, celebrations, and leadership conferences. To learn more and apply, visit the [Co-Curricular Funding website](#).

**Selling organization-branded merchandise:** Recognized student organizations are permitted to sell organization or CSUSM-branded merchandise. However, all CSUSM-branded merchandise must comply with [CSUSM branding standards](#).

**Selling merchandise:** Selling merchandise such as artwork, crafts, or other goods for fundraising purposes is generally permitted, provided selling such merchandise does not violate university policy or federal/state/local laws. If your organization has questions about selling items for fundraising, contact [studentorg@csusm.edu](mailto:studentorg@csusm.edu) for guidance.

**Restaurant fundraisers:** Student organizations may partner with restaurants both on and off-campus to donate a portion of sales on a specific date to the organization. If your organization would like to conduct a restaurant fundraiser, please follow the steps below.

1. Contact a restaurant and inquire about hosting a fundraiser. You can do this by visiting or calling a restaurant and asking to speak to the manager. Some restaurants also have information for fundraisers online.
2. If the restaurant requests a W-9 Form or Tax ID number, please contact [studentorg@csusm.edu](mailto:studentorg@csusm.edu).
3. After your fundraiser is done, ask the restaurant to mail your proceeds via check to ASI at the address below. **The check should be made out to "CSUSM Associated Students,**

**Inc” and include your organization name in the memo line, as shown in the [Student Org Account Services Guidebook](#). ASI will notify your organization when the check has arrived and is ready for pickup.**

Associated Students Incorporated, USU 3700  
Attn: Organization Name

**Student Org Market Days:** SLIC has coordinated with the University to plan Student Organization Market Days which are scheduled twice per semester on the USU Arcade.

- Organizations must be recognized and in good standing with the University to participate.
- Student Organizations will receive signup information in advance via email. Space is limited and assigned on a first-come, first-served basis. All signups are subject to the approval of SLIC staff.

- All organizations selling food must follow university policies and procedures for food safety and cash handling.
- **Student organizations are not permitted to sell food on campus outside of designated Student Org Market Days or other specific occasions approved by SLIC.**

**Cougar Crowdfunding:** Cougar Crowdfunding is designed to help student organizations raise funds by sharing impactful stories to bring groups of donors together to fund specific projects during a time-constrained campaign (similar to GoFundMe). If approved for a Cougar Crowdfunding campaign, your organization will have direct support from a professional staff member in University Advancement to design and promote your campaign. For more information, visit the [Cougar Crowdfunding website](#).

**Customized Giving Link:** Recognized student organizations can submit a request for a customized giving URL unique to their organization. This unique link can be shared to an approved list of prospective donors. To request a custom link for your organization, contact Alex Perkins at [aperkins@csusm.edu](mailto:aperkins@csusm.edu).

**Soliciting donations from off-campus organizations:** If your organization is interested in asking off-campus companies, foundations, or other organizations for donations, please contact [studentorg@csusm.edu](mailto:studentorg@csusm.edu). University Advancement can potentially provide support with any such requests, but they are subject to approval.

**Auctions:** Conducting an auction requires multiple steps for proper reporting and documentation. To conduct an auction, your organization will need to provide the following documentation:

- A completed [Item Donation Form](#) from each individual/organization donating item(s)
- A list of all auction winners, including contact information, item value, and winning bid amount

Donations of alcohol, tobacco, marijuana/cannabis, or any other items or substances prohibited by University policy are not permitted.

**Selling food:** If your organization would like to sell food on-campus outside of a designated Student Org Market Day event, please contact [studentorg@csusm.edu](mailto:studentorg@csusm.edu) for approval. Organizations are typically not approved to table and sell food on random days, but may be approved to sell food at other approved events (club meetings, banquets, fundraising events, etc.).

**Casino Events:** Student organizations are not permitted to host casino-style events involving a purchase of playing tokens or chips which are later exchanged for prizes. Such events are regulated under California state law. However, organizations may host casino-style games when there is no purchase or donation necessary to participate in the event.

**Raffles and Opportunity Drawings:** Student organizations are not permitted to host raffle drawings, in which prizes are awarded to participants who pay for a chance to win. Such events are regulated under California state law. However, student organizations are permitted to host opportunity drawings. A prize drawing must meet the following conditions to be considered an opportunity drawing:

1. Tickets are distributed to all event attendees/participants and all attendees have an equal chance to win.
2. The drawing does not require any attendees/participants to pay for a chance to win, and this is clearly advertised to all participants.

Questions regarding prize drawings should be directed to [studentorg@csusm.edu](mailto:studentorg@csusm.edu)

### **Alternative Fundraising Options**

For additional fundraising options not listed here, please contact your SLIC for guidance.

Visit the [Student Org Training Resources webpage](#) to complete online cash-handling training.

### **Accountability**

These guidelines ensure that CSUSM students who process and/or handle cash and cash equivalents for student organizations can be held responsible in fulfilling their duties. Accountability is present when the organization can demonstrate or show record of the following:

- Knowledge of who has/had access to, and why they have/has access to, cash and cash equivalents.
- Knowledge of where cash or cash equivalent assets are **at all times**.

- Knowledge of what transpired from the beginning of a cash handling process to the conclusion of the process.

- The cash box should have a functioning lock and key, and should never be left open or unattended.

Separation of duties must be maintained throughout the cash collection and counting process.

- At least two (2) or more authorized persons (members of the organization who have completed cash handling training) must be conjointly involved in the collection, handling, and depositing processes. No one individual should have complete control of the process.

Students handling cash and cash equivalents must immediately establish a record of receipt. All organizations must use a receipt book, cash collection tally, or [ASI Deposit Form](#) to track cash intake.

- Cash should be deposited by an authorized person as soon as possible after collection at Student Financial Services (also known as the Cashier's Office) in Cougar Central (Administration Building, 3rd Floor) with a completed [Deposit Form](#).
  - If the office is closed, you can deposit the funds in the overnight drobox outside of Cougar Central. Make sure the envelope and Deposit Form are clearly labeled with the name of your organization.
- It is highly recommended that cash be deposited within 24 hours of receipt. If you cannot make the deposit within 24 hours, it must be made within a **maximum** of 5 business days.
- Cash should not be transported visibly in a cashbox. Organizations are encouraged to transport the cashbox out of view in a backpack or tote bag. Cash and cash equivalents may also be transferred to an envelope or bank pouch for storage during transportation.

- If cash cannot be deposited right away, it should be stored in a secure location in a cash box, safe, or other locked receptacle until the time of transportation and deposit.
- Student organizations must make a deposit whenever cash on hand exceeds \$1,000.
  - Deposits over \$1000 require a campus police escort. Contact the [CSUSM University Police Department non-emergency line](#) at 760-750-4567 to request an escort.

Many of these forms of electronic payment are connected to personal bank accounts, and **it is prohibited to deposit student organization funds into an unauthorized or personal bank account at any time. Any organizations found to be accepting electronic payments via unauthorized methods may have their recognized status or account privileges revoked.**

### Prizes and Giveaways

#### General Prizes

Student Organizations are encouraged to document giveaways or prizes given to organization members, event attendees, or other individuals with a [Gift Card/Prize Form](#). This form should be saved in your organization's records in case of a future audit.

## University Recognition of Fraternity & Sorority

### Definition of Fraternity & Sorority

1. A fraternity & sorority is defined as a regionally or inter/nationally affiliated organization which attains official University recognition through the University expansion/extension process and annually maintains University Student Organization Recognition.

2. Each fraternity & sorority must be a member in good standing with one of the following umbrella organizations:
  1. National Association of Latino Fraternal Organizations, Inc. (NALFO)
  2. National APIDA Panhellenic Association (NAPA)
  3. National Multicultural Greek Council (NMGC)
  4. National Pan-Hellenic Council (NPHC)
  5. National Panhellenic Conference (NPC)
  6. North-American Interfraternity Conference (NIC)
3. Exceptions may be granted for fraternities and sororities which are not affiliated with the above umbrella organizations but are part of a local, national, or international organization with appropriate insurance coverage and support.
4. Each fraternity and sorority must be a member in good standing with their respective councils.

### University Recognition of Fraternities & Sororities

1. CSUSM seeks to officially recognize and assist Fraternities and Sororities whose purposes and practices are, and remain, consistent with those of the university and its values, mission, and vision statements.
2. Student Leadership & Involvement Center will serve as the sponsoring university unit for all recognized Fraternities and Sororities at CSUSM.
3. The CSUSM Fraternity & Sorority Relationship Statement, in conjunction with this Handbook, outlines the values or “pillars” by which the university expects fraternities and sororities to operate (See Appendix “X”).
4. If a chapter violates the policies in this Handbook, becomes negligent in cultivating an environment that supports student health and wellness and academic success at CSUSM, or demonstrates a pattern of ineffective organizational management, the university may initiate a broader review process.
5. Every effort shall be made by Student Leadership & Involvement Center and the umbrella and/or regional or inter/national organization to coordinate an infusion of resources and redirection that would benefit the turn-around of the organization that is demonstrating ineffective leadership.
6. Student Leadership & Involvement Center shall notify the regional or inter/national organization of any disciplinary action imposed on a chapter recognized by the university. Regional or inter/national organizations will notify the Coordinator of

Fraternity & Sorority Life and/or Student Leadership & Involvement Center of any disciplinary action imposed upon chapters at the university. Every effort shall be made by Student Leadership & Involvement Center and the umbrella and/or regional or inter/national organization to coordinate disciplinary actions.

7. It is the University's expectation that the removal of University recognition would result in parallel action by the regional or inter/national organization in support of a positive and safe undergraduate experience.

## Fraternity & Sorority Membership Requirements and Organization Expectations

The following are requirements for a Fraternity & Sorority organization to maintain recognition at CSUSM. Failure to uphold the requirements of this section, or any of the stated expectations in this handbook, may result in a Student Leadership & Involvement Center administrative review of the chapter's University recognition status.

1. The University delegates power to Student Leadership & Involvement Center, specifically the Coordinator of Fraternity & Sorority Life, to develop a set of operating principles and guidelines for the Fraternity & Sorority organizations in three basic areas: campus affiliation and recognition procedures, community governance, and chapter development.
2. Fraternity & Sorority organizations must apply for and maintain student organizations recognition status through Student Leadership & Involvement Center annually.
3. Fraternity & Sorority organizations must provide proof of insurance that meets university requirements.
4. The University requires that all recognized chapters be members in good standing with the Student Leadership & Involvement Center.
5. Fraternity & Sorority organizations will inform and work in collaboration with the Coordinator of Fraternity & Sorority Life when considering housing or long-term meeting facilities to ensure regional or inter/national and university requirements and standards are met.
6. Fraternity & Sorority organizations will provide officer rosters, advisory board contact information, regional or inter/national constitution and bylaws, local bylaws, articles of incorporation, certificates of insurance, financial costs, and other required listed on the chapter checklist on an annual basis or whenever

changes occur. *Membership rosters will be reviewed and updated each semester, once new members begin the new member process, or whenever changes occur.*

7. New Members can only be offered membership into the chapter if the individual is a degree-seeking student carrying six units at CSUSM with at least twelve university units completed. AP scores that are evaluated as equivalent to college credit and Entry Level Math courses will be considered as part of the twelve-unit requirement. Exceptions and petitions for consideration may be reviewed by Student Leadership & Involvement Center on a case-by-case basis. Fraternity & Sorority organizations may grant members special status (transfer, alumni, honorary) as approved by the regional or inter/national organization. New members must also be in good standing with the University (not on academic or disciplinary probation with the Dean of Students) and meet the grade point average minimum required for membership recruitment.
8. Fraternity & Sorority organizations must complete any new member/intake education and initiation processes at least 10 days before the first day of finals each semester.
9. Each Fraternity & Sorority organization must maintain a collegiate membership of five or more members, per the CSU requirement for student organizations (Executive Order 1068).
10. Fraternity & Sorority organizations must maintain an Associated Students Inc. Agency Account for on-campus banking and billing purposes.
11. Fraternity & Sorority organizations are responsible for debts incurred to the University or Associated Students Inc. and are expected to maintain good credit ratings in the community. All fundraising activities must comply with policies and procedures established by the university as outlined by Student Leadership & Involvement Center, University Advancement, and Associated Students Inc. and required by the California State University Board of Trustees.
12. Fraternity & Sorority chapter Presidents and Treasurers cannot hold their position if they are on academic or disciplinary probation with the university.
13. Fraternity & Sorority chapters are required to maintain a CSUSM cumulative and term grade point average minimum of 2.50. If the term grade point average falls below a 2.50, a plan for meeting the requirement will be developed in conjunction with, and submitted to, the Coordinator of Fraternity & Sorority Life and the regional or inter/national organization. If the chapter grade point average does not meet the 2.50 minimum within two semesters of the initial decline, the chapter will be suspended until they meet the 2.50 requirement.

14. Each Fraternity & Sorority must have at least one alumni advisor in addition to a faculty/staff campus advisor as required through the university recognition process. Chapter advisors should be familiar with organization and university policies, have a regular presence at meetings, review finances, review the new member program to ensure hazing isn't involved in any way, risk management, and attend events throughout the year. SLIC coordinates regular advisor meetings to maintain communication with advisors and provide university updates as needed.
15. No Fraternity & Sorority organization shall sponsor an auxiliary organization or activity, which indicates membership of any kind in their group (e.g. "little sisters," "big brothers," etc.). Only full membership as a member, new member, or alumni member shall be offered. The only additional levels of membership are to be approved or designated by the regional or inter/national organization and must be reported to the University.
16. Each Fraternity & Sorority shall establish, maintain, and comply with a code of conduct, and shall ensure that all of its members have a working understanding of the code of conduct. The Fraternity & Sorority shall have an internal judicial system to enforce this code. The University must receive an annual copy of this code of conduct if it is not clearly included in the organization's constitution/bylaws.
17. Fraternity & Sorority organizations are required to submit calendars of activity to the Coordinator of Fraternity & Sorority Life each semester, including summer. These calendars must include all chapter and new member activities. The Coordinator of Fraternity & Sorority Life should also be made aware of additional regional or inter/national conferences, on campus events, or meetings that members will attend. Calendars should be submitted no later than the 15th of August (fall), January (spring), and May (summer). If the 15th falls on a weekend, calendars will be due the following Monday. Should the 15th fall during an exam period, the calendars will be due on the 22nd of the month.
18. Each fraternity and sorority organization are to comply with AB 524 (Campus Recognized Sorority and Fraternity Transparency Act) to be in good standing and recognized by the institution. They must annually submit and report to the Student Leadership & Involvement Center status of members, activity, and their conduct.
19. Each academic year, chapters are required to attend or host three Educational Events that are at least 60 minutes in length on the following topics:
  - a. One (1) Risk Management (due prior to hosting any events with alcohol and must cover the following): *These should focus on policy review and member and officer responsibilities for managing risk. It is recommended that*

Chapters may attend or host more than one program in each area to achieve the percentage attendance requirement.

These educational events must be reviewed by the Coordinator of Fraternity & Sorority Life a minimum of one week prior to the date of the educational event occurring using the Educational Event Form. Topics that do not appear on the list above can be proposed to the Coordinator of Fraternity & Sorority Life for consideration. All chapters/ are encouraged to work with on and off-campus entities to develop impactful educational events. injured, emergency transportation must be provided so the individual may obtain medical assistance. Following medical treatment, the organization should encourage the injured individual to seek assistance through his/her medical insurance carrier. An emailed report detailing the event, injury, treatment, and actions taken, including insurance claims and any suits filed should be submitted to the Coordinator of Fraternity & Sorority Life by the Chapter President no more than 24 hours after the injury.

### Expansion/Extension Process for Fraternities & Sororities

Please refer to the [CSUSM Fraternity & Sorority Life Expansion plan](#) for an overview of our process and procedure. This information will help interested students or new inter/national organizations to submit the proper paperwork and information to the Student Leadership & Involvement Center. You can also [refer to our website](#) for more information.

Below is our process for groups wanting to be re-recognized by the institution.

## Re-Recognition Procedures

A chapter may lose university recognition due to a decision made by the University and/or by their respective regional or inter/national organization. The circumstances of a group losing recognition for violating university policy can and will be considered differently than a group which, due to low membership numbers or internal concerns, decides to go through a period of reorganization or internal review. The length of time that a chapter has been without university recognition is also significant when considering the process of Re-Recognition. The following scenarios outline how the University will respond to the different types of requests for chapter Re-Recognition.

### A. Chapter Regional or Inter/national decision to close/reorganize:

- a. Re-Recognition Under One Year: A chapter that has allowed their university recognition to lapse for up to one year can petition Student Leadership & Involvement Center to reorganize. A Student Leadership & Involvement Center administrative review will result in a recommendation to the AVP for Student Life as to whether recognition should be reinstated.
- b. Re-Recognition Between One and Four Years: If a chapter has allowed their university recognition to lapse for between one and four years, the organization will need to submit a letter of petition for reinstatement to Student Leadership & Involvement Center. Student Leadership & Involvement Center will conduct an administrative review in partnership with the Fraternity & Sorority Expansion/Extension Committee and forward a recommendation to the VPSA as to whether recognition should be reinstated.
- c. Re-Recognition After Four Years: If a chapter has allowed their university recognition to lapse for four or more years, the organization will need to submit the necessary documentation outlined in section “VI: Expansion/Extension Process for Fraternities/Sororities” and follow the steps outlined under “Process for Organization Solicitation of the University.”

### B. University Revocation of Recognition:

- a. In circumstances where the University revoked the chapter’s recognition, the organization will need to submit a letter of petition for reinstatement to

Student Leadership & Involvement Center in accordance with the guidelines outlined in university recognition revocation letter signed by the VPSA.

- b. Student Leadership & Involvement Center will either conduct an administrative review in partnership with the Fraternity & Sorority Expansion/Extension Committee and forward a recommendation to the VPSA or require that the organization submit the necessary documentation outlined in section “VI: Expansion/Extension Process for Fraternities/Sororities” and follow the steps outlined under “Process for Organization Solicitation of the University.” Either process will be informed by the circumstances leading up to the chapter’s revocation of recognition.

Any action(s) by the regional or inter/national organization, chapter and/or behavior of members during the period of revocation will be considered in the petition review process.
